	<p>Rzhyshchiv city territorial community is located in the forest-steppe physical-geographical zone of the southern part of Kyiv Oblast on the right bank of the Dnipro river. The eastern part of the territory of the community is washed by the waters of the country's largest river, the Dnipro. Beyond the river there are the lands of the Boryspil Rayon of the Kyiv Oblast. The territory of the Rzhyshchiv community borders directly with the Kagarlytsk, Myronivsk and Ukrainsk communities.</p> <p>The community combines unique natural landscapes and outstanding cultural heritage sites. The landscape around the community is characterized by numerous ravines and hills. Settlements are located in the valleys of deep ravines, which leads to a complex configuration of settlements, their distribution into separate massifs and a complex topography of the villages. The soils of the community are characterized by chernozems, typical low-humus, meadow-chernozem, light loamy soils. The main natural wealth of the community is fertile chernozem, which occupies almost 80% of arable land.</p> <p>Clay is extracted from minerals for the production of building materials. Forests are dominated by pine, oak, acacia, maple, willow, and shrubs. There are small animals: foxes, hares, moles, wild boars, deer, marmots, as well as various types of birds. Catfish, pike, zander, perch, bream, and crucian carp are found in the rivers.</p> <p>The structure of the local economy is dominated by small and medium-sized businesses. Thus, 410 individual entrepreneurs and 296 legal entities carry out economic activities on the territory of the community (they pay taxes). The main areas of activity are trade in food and non-food stores. Industry and agriculture are developed on the territory of the community. The largest industrial enterprises operating on the territory of the Rzhyshchiv city territorial community: "Household Technologies" LLC, "Novopak SV" LLC, "Technobeton" LLC, "Rzhyshchiv Food Factory" LLC, "DIL" LLC, "Kuzmynetsk Building Ceramics" LLC. LLC "NOVOPAK SV", LLC "Household Technologies" and LLC "DIL" also export their products to Poland, Moldova, Armenia and Azerbaijan. The structure of the agricultural industry is dominated by crop production, but there are also a small number of farms, namely raising cows, pigs, and poultry.</p> <p>Rzhyshchiv city territorial community has a wonderful natural and architectural heritage that attracts tourists. Excursions to the healing springs of the Rzhyshchiv city territorial community are held on the territory of the Rzhyshchiv city territorial community; to the Gusynska Church (the Transfiguration Church on the water) and other historical and architectural monuments. There are also cycling routes and glamping, where tourists not only rest, eat and live, but also go horseback riding.</p>
